BELTEX

THE STANDARD OF EXCELLENCE

General Appearance

The Beltex is a medium sized sheep, long in body. It is wedge shaped from a narrow shoulder to a distinctive large double-muscled hind quarter.

Head

The head is generally white in colour but may have black, blue or brown shadings or patches. Colour is irrelevant to quality. The fore face is short and thick.

Neck

The neck is thick and short.

Body

Well muscled shoulder. A wide back and long barrel shaped body

Gigots

The distinctive characteristic of Beltex Sheep is the double-muscled hindquarters, sloping pelvis, low set tail, deep flushed, well rounded and full of meat. The excessive hindquarter development when compared to the line of the shoulders gives a wedge shaped appearance.

Legs

Sheep should be mobile and capable of natural service. Joints should be straight and sound. Legs are usually white but colour is relevant. Feet tight. Pasterns upright. Fine bone structure.

Fleece

Tight, dense of medium staple length, affording a good protective birth coat to the lamb. A medium to tight fleece is tolerated.

Bone

Fine bone is a desirable characteristic.

Teeth

Teeth are scored on a 1 to 5 scale, where 1 is extreme and 5 extreme overshot, with 3 being perfect. Only animals with a score of 2, 3 or 4 are considered acceptable.

Sell Live and Thrive Under the Hammer

The WLS team conduct weekly Monday sales of prime lambs, prime cattle, cull ewes and cull cows, as well as seasonal store sheep sales including store lambs, couples and breeding ewes. With fortnightly sales of cows and calves and store cattle the market attracts buyers from all over the country, annually selling in excess of 500,000 sheep and 10,000 cattle.

The team holds several large collective machinery sales based on the Welshpool Livestock site, ideally situated for both vendors and purchasers. It offers customers an excellent, modern sales facility for items from chainsaws to tractors, including the provision of online bidding platforms to maximise saleability for larger items.

WLS is now the base for Morris Marshall & Poole with Norman Lloyd's dedicated rural and agricultural hub combining the expertise of the two companies. The rural team provides specialist agricultural services, including rural property and farmland valuations, farm and livestock sales and government subsidy services.

The WLS conference and meeting centre provides facilities that have the ability to cater for 1 to 150 delegates to suit a range of requirements. Whether you are looking to host a corporate event, business meeting or conference, we have flexible facilities to suit all occasions with complimentary Wi-Fi, large scale onsite parking and disabled access.
