### **Beltex Sheep Society - General Sale Bye-Laws**

1. All UK-bred sheep entered at Society/Club sales must be fully registered and all fees paid prior to the sale, with the exception of spring ewe and lamb sales where lambs need only be birth notified prior to sale and fully registered, at cost to the vendor, if sold.
2. All tags must comply with UK legislation and Society rules on identification.
3. Scrapie genotyping is voluntary but is included in the standard DNA sample for sires used and ewes flushed. All sheep catalogued with scrapie genotype must have valid certificates.
4. The upset (minimum) price is 400gns at the Premier Sale. At all other Society/Club sales, the upset price shall be decided between the Society/Club and the auctioneer.
5. Runs are limited to 10, extra runs are placed at the end of each section
6. All sheep entered for Society/Club sales must be inspected by a panel of inspectors appointed by the Society. Some sales will also have a Veterinary Officer aiding with the inspection.
7. The inclusion of any animal in the show and/or sale following any inspection is no warranty that the particular animal meets any criteria or criterion in respects of any standards or will do so in the future.
8. Entry forms must be submitted with all relevant paperwork.
9. Any sheep which has not passed Society/Club inspection should be removed from the vendor's pen as soon as possible, and must not be offered for sale, or advertised or promoted, in the ring.
10. No animal to be sold outside of the ring before entering the sale ring.
11. All animals must be sold in catalogue order.
12. Any sheep to be sold at Society sales must be registered in the flock from which it is to be sold by 31 May in the year of sale.

15. Recipients carrying pedigree embryos will be allowed to be sold at the in-lamb female sales after fully registered sheep.
16. All sheep entered at in-lamb sales will be scanned at time of inspection. If any ewe or gimmer is found not to be in lamb these will be rejected from the sale. If any empty ewe lamb is found to be in lamb these will be rejected from the sale.

The vendor must discuss fully with the purchaser any details of retained semen/embryos, specifically whether for own use or if intending to sell. This should be agreed between vendor and purchaser, preferably in writing and signed by both parties.

## Inspections

1. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. From 2008, all registered lambs must carry tags with the Society logo.
