### **General Sale Bye-Laws**

1. All UK-bred sheep entered at Society/Club sales must be fully registered and all fees paid prior to the sale, with the exception of spring ewe and lamb sales where lambs need only be birth notified prior to sale and fully registered, at cost to the vendor, if sold.
2. All tags must comply with UK legislation and Society rules on identification.
3. Substitutes must be declared to the Society within the specified time stated on the sale entry form and catalogue, and must be marked with a red dot on the loin.
4. Scrapie genotyping is voluntary, but is included in the standard DNA sample for sires used and ewes flushed. All sheep catalogued with scrapie genotype must have valid certificates.
5. The upset (minimum) price is 300gns at the Premier Sale. At all other Society/Club sales, the upset price shall be decided between the Society/Club and the auctioneer.
6. Runs are limited to 10, extra runs are placed at the end of the sale (see Carlisle Premier Special Sale Bye-Laws for exceptions).
7. All sheep entered for Society/Club sales must be inspected by a panel of inspectors appointed by the Society. Some sales will also have a Veterinary Officer aiding with the inspection.
8. The inclusion of any animal in the show and/or sale following any inspection is no warranty that the particular animal meets any criteria or criterion in respects of any standards, or will do so in the future.
9. Entry forms must be submitted with all relevant paper work.
10. Any sheep which has not passed Society/Club inspection should be removed from the vendor's pen as soon as possible, and must not be offered for sale, or advertised or promoted, in the ring.
11. No animal to be sold outside of the ring before entering the sale ring.
12. All animals must be sold in catalogue order.
13. Any sheep to be sold at Society sales must be registered in the flock from which it is to be sold by 31 May in the year of sale.
14. All sheep forward must be back-stamped with the lot number, with the exception of those at spring ewe and lamb sales. Failure to do so will result in rejection from sale.
15. Any rams with semen taken or retained before sale, or females which have been flushed and embryos recovered before sale, must be declared in the entry forms and catalogue and announced at the time of sale. Failure to do so will result in the purchaser having the right to return the sheep. Costs may be incurred by the vendor.
16. Recipients carrying pedigree embryos will be allowed to be sold at the in-lamb female sales after fully registered sheep.
17. All sheep entered at in-lamb sales will be scanned at time of inspection.
18. Substitutes allowance per vendor at any sale is three shearing rams, and two per other section. These must be notified to the Society and the Auctioneers by the time specified on the entry form/catalogue. No substitutes will be allowed on the day. Any un-notified substitutes must be removed from the vendor's pen as soon as possible and must not be offered for sale through the ring.

Note re Point 15: Council advise the following: Tick the box on the entry forms and make sure information is given out at time of sale. The vendor must discuss fully with the purchaser any details of retained semen/embryos, specifically whether for own use or if intending to sell. This should be agreed between vendor and purchaser, preferably in writing and signed by both parties.

### **Inspections**

19. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. From 2008, all registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry so that replacement tags can be ordered before the sale.
20. All sheep forward must be back-stamped with the lot number, with the exception of those at spring ewe and lamb sales. Failure to do so will result in rejection from sale.
21. Sheep which have failed inspection must be removed immediately from the market premises. Vendors are advised to check their animals thoroughly prior to departure from home.

22. Any animal rejected for testicle abnormality or incorrect mouth is not allowed to be entered or substituted at later Society/Club sales, with the exception of lambs which may be entered at sales the following year as shearlings.

23. Inspection will include the following points – tags, teeth, testicles, udder, muscularity and any other points deemed necessary by Council as they see fit.

#### Inspection Standards

a. Teeth to be inspected and assessed at the discretion of the inspector/veterinary officer. Teeth must meet the pad, not be overshot or undershot, and no tampering with teeth is permitted.

b. All sheep should be mobile and rams capable of natural service.

c. Testicles should be of even size, free of abnormalities and move freely. Minimum testicle size – 27cm for ram lambs and 30 cm for shearling rams and aged rams. Testicles will be measured at the vet/inspector's discretion.

d. Udders should be correct and free of any hardness or abnormalities.

The vet and inspector's decision will be final at each sale.

#### 24. Shows at Sales

d. It is the responsibility of the exhibitor to ensure that each exhibit is available for judging at the correct time.

e. All prize winners must be offered for sale at auction by the exhibitor at the sale following the show, otherwise awards may be withheld and prize monies forfeited.

f. The decision of the judge is final.

#### 25. Sales held under the auspices of the Beltex Sheep Society

- All sheep sold at any Society/Club sale must be registered with the Beltex Sheep Society. Cross-bred sheep must not be listed in any Society catalogue unless they are carrying pedigree embryos.

**AUCTIONEER'S TERMS & CONDITIONS OF SALE**  
(Incorporating the Auctioneer's Terms and Conditions)

No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's office but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.

5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
