1. All UK-bred sheep entered at Society/Club sales must be fully registered and all fees paid prior to the sale, with the exception of spring ewe and lamb sales where lambs need only be birth notified prior to sale and fully registered, at cost to the vendor, if sold.
2. All tags must comply with UK legislation and Society rules on identification.
3. Substitutes must be declared to the Auction Mart Office and Society within the specified time stated on the sale entry form and catalogue, and must be marked with a red dot on the loin.
4. Scrapie genotyping is voluntary, but is included in the standard DNA sample for sires used and ewes flushed. All sheep catalogued with scrapie genotype must have valid certificates.
5. The upset (minimum) price is 300gns at the Premier Sale. At all other Society/Club sales, the upset price shall be decided between the Society/Club and the auctioneer.
6. Runs are limited to 10, extra runs are placed at the end of the sale (see Carlisle Premier Special Sale Bye-Laws for exceptions).
7. All sheep entered for Society/Club sales must be inspected by a panel of inspectors appointed by the Society. Some sales will also have a Veterinary Officer aiding with the inspection.
8. The inclusion of any animal in the show and/or sale following any inspection is no warranty that the particular animal meets any criteria or criterion in respects of any standards, or will do so in the future.
9. Entry forms must be submitted with all relevant paper work.
10. Any sheep which has not passed Society/Club inspection should be removed from the vendor's pen as soon as possible, and must not be offered for sale, or advertised or promoted, in the ring.

17. All sheep entered at in-lamb sales will be scanned at time of inspection.
18. Substitutes allowance per vendor at any sale is three shearling rams, and two per other section. These must be notified to the Society by the time specified on the entry form/catalogue. No substitutes will be allowed on the day. Any un-notified substitutes must be removed from the vendor's pen as soon as possible and must not be offered for sale through the ring.

**Note re Point 15:** Council advise the following: Tick the box on the entry forms and make sure information is given out at time of sale. This should be agreed between vendor and purchaser, preferably in writing and signed by both parties.

### Inspections

19. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. From 2008, all registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry so that replacement tags can be ordered before the sale.
20. All sheep forward must be back-stamped with the lot number, with the exception of those at spring ewe and lamb sales. Failure to do so will result in rejection from sale.
