And 17 Yearling Rams

On

Thursday 4th September 2025

Show @ 10^{am} - Sale @ 12noon

Judge: Mr Iwi Williams, Hendre Blaenau

BELTEX

THE STANDARD OF EXCELLENCE

General Appearance

The Beltex is a medium sized sheep, long in body. It is wedge shaped from a narrow shoulder to a distinctive large double-muscled hind quarter.

Head

The head is generally white in colour but may have black, blue or brown shadings or patches. Colour is irrelevant to quality. The fore face is short and thick.

Neck

The neck is thick and short.

Body

Well muscled shoulder. A wide back and long barrel shaped body

Gigots

The distinctive characteristic of Beltex Sheep is the double-muscled hindquarters, sloping pelvis, low set tail, deep flushed, well rounded and full of meat. The excessive hindquarter development when compared to the line of the shoulders gives a wedge shaped appearance.

Legs

Sheep should be mobile and capable of natural service. Joints should be straight and sound. Legs are usually white but colour is relevant. Feet tight. Pasterns upright. Fine bone structure.

Fleece

Tight, dense of medium staple length, affording a good protective birth coat to the lamb. A medium to tight fleece is tolerated.

Bone

Fine bone is a desirable characteristic.

Teeth

Teeth are scored on a 1 to 5 scale, where 1 is extreme and 5 extreme overshot, with 3 being perfect. Only animals with a score of 2, 3 or 4 are considered acceptable.

Beltex Sheep Society

1. All UK-bred sheep entered at Society/Club sales must be fully registered and all fees paid prior to the sale, with the exception of spring ewe and lamb sales where lambs need only be birth notified prior to sale and fully registered, at cost to the vendor, if sold.
2. All tags must comply with UK legislation and Society rules on identification.
3. Substitutes must be declared to the Society within the specified time stated on the sale entry form and catalogue, and must be marked with a red dot on the loin.
4. Scrapie genotyping is voluntary, but is included in the standard DNA sample for sires used and ewes flushed. All sheep catalogued with scrapie genotype must have valid certificates.
5. The upset (minimum) price is 300gns at the Premier Sale. At all other Society/Club sales, the upset price shall be decided between the Society/Club and the auctioneer.
6. Runs are limited to 10, extra runs are placed at the end of the sale (see Carlisle Premier Special Sale Bye-Laws for exceptions).
7. All sheep entered for Society/Club sales must be inspected by a panel of inspectors appointed by the Society. Some sales will also have a Veterinary Officer aiding with the inspection.
8. The inclusion of any animal in the show and/or sale following any inspection is no warranty that the particular animal meets any criteria or criterion in respects of any standards, or will do so in the future.
9. Entry forms must be submitted with all relevant paper work.
10. Any sheep which has not passed Society/Club inspection should be removed from the vendor's pen as soon as possible, and must not be offered for sale, or advertised or promoted, in the ring.
11. No animal to be sold outside of the ring before entering the sale ring.
12. All animals must be sold in catalogue order.
13. Any sheep to be sold at Society sales must be registered in the flock from which it is to be sold by 31 May in the year of sale.
14. All sheep forward must be back-stamped with the lot number, with the exception of those at spring ewe and lamb sales. Failure to do so will result in rejection from sale.
15. Any rams with semen taken or retained before sale, or females which have been flushed and embryos recovered before sale, must be declared in the entry forms and catalogue and announced at the time of sale. Failure to do so will result in the purchaser having the right to return the sheep. Costs may be incurred by the vendor.
16. Recipients carrying pedigree embryos will be allowed to be sold at the in-lamb female sales after fully registered sheep.
17. All sheep entered at in-lamb sales will be scanned at time of inspection.
18. Substitutes allowance per vendor at any sale is three shearling rams, and two per other section. These must be notified to the Society by the time specified on the entry form/catalogue. No substitutes will be allowed on the day. Any un-notified substitutes must be removed from the vendor's pen as soon as possible and must not be offered for sale through the ring.

Note re Point 15: *Council advise the following: Tick the box on the entry forms and make sure information is given out at time of sale. The vendor must discuss fully with the purchaser any details of retained semen/embryos, specifically whether for own use or if intending to sell. This should be agreed between vendor and purchaser, preferably in writing and signed by both parties.*

Inspections @ 9am

19. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. From 2008, all registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry so that replacement tags can be ordered before the sale.
20. All sheep forward must be back-stamped with the lot number, with the exception of those at spring ewe and lamb sales. Failure to do so will result in rejection from sale.

21. Sheep which have failed inspection must be removed immediately from the market premises. Vendors are advised to check their animals thoroughly prior to departure from home.
22. Any animal rejected for testicle abnormality or incorrect mouth is not allowed to be entered or substituted at later Society/Club sales, with the exception of lambs which may be entered at sales the following year as shearlings.
23. Inspection will include the following points – tags, teeth, testicles, udder, muscularity and any other points deemed necessary by Council as they see fit.

Inspection Standards

- a. Teeth to be inspected and assessed at the discretion of the inspector/veterinary officer. Teeth must meet the pad, not be overshot or undershot, and no tampering with teeth is permitted.
- b. All sheep should be mobile and rams capable of natural service.
- c. Testicles should be of even size, free of abnormalities and move freely. Minimum testicle size – 27cm for ram lambs and 30 cm for shearling rams and aged rams. Testicles will be measured at the vet/inspector's discretion.
- d. Udders should be correct and free of any hardness or abnormalities.

The vet and inspector's decision will be final at each sale.

24. Shows at Sales

- a. Each vendor is allowed two entries in each pre-sale show class, bar the Carlisle Premier Sale where only one entry per class is allowed.
- b. All exhibitors should be dressed in a white coat in the show ring.
- c. Exhibitors are permitted to prepare their sheep to the best of their ability.
- d. It is the responsibility of the exhibitor to ensure that each exhibit is available for judging at the correct time.
- e. All prize winners must be offered for sale at auction by the exhibitor at the sale following the show, otherwise awards may be withheld and prize monies forfeited.
- f. The decision of the judge is final.

25. Sales held under the auspices of the Beltex Sheep Society

- All sheep sold at any Society/Club sale must be registered with the Beltex Sheep Society. Cross-bred sheep must not be listed in any Society catalogue unless they are carrying pedigree embryos.
Dispersal (No Inspection required) **Production and Reduction** (Inspection required) Sales to be held at the end of the collective sale and no sheep to be shown in the pre-sale show.

26. Sale Conditions

The sale terms and conditions of the LAAS / IAAS shall apply to Beltex Society and club sales with the exception of the duration of the stock ram warranty.

Rams purchased at Society and club sales must prove to be capable of, and effective at, getting at least 1 female in lamb by **15th December** in the year of purchase.

Claims must be notified to the auctioneers by **31st December** and must be supported by vets' reports and any other proof of infertility or incapability. **No claim after that date will be accepted.**

The auctioneers shall be mediators in disputes between buyer and seller.

CONDITIONS OF SALE

All sheep are sold under the Conditions of Sale as displayed in the market recommended for use by the

Livestock Auctioneers' Association Ltd

38 Female sheep not described as In Lamb

38.1 Vendor's warranty

The Vendor warrants that a female sheep not described in any catalogue for sale or at the time of sale as In Lamb is not In Lamb at the time of sale. This warranty is a **14 Week + 5 Day Warranty**.

38.2 Purchaser's rights

If the **Purchaser** proves a breach of warranty then, at the Purchaser's option, either the **Purchaser** may exercise his rights under Schedule 6, or the Vendor shall pay to the **Purchaser as Liquidated Damages** a sum equal to the amount in paragraph (i) of the Appendix. Notice of a claim must be supported by a **Veterinary Surgeon's Certificate** or a slaughterhouse manager's or other competent person's certificate confirming that the sheep was **In Lamb**

39 Female sheep described as correct

39.1 Vendor's warranty

The **Vendor** warrants that all female sheep described in the catalogue or at the time of sale as correct are sound in mouth and udder, that is they are not lacking any of the 8 broad teeth and do not have any damaged or worn teeth or a defective udder. This warranty is a **5 Day Warranty**.

39.2 Purchaser's rights

If the **Purchaser** proves a breach of warranty then, at the Purchaser's option, either the **Purchaser** may exercise his rights under Schedule 6, or the **Vendor** shall pay to the Purchaser as **Liquidated Damages** a sum equal to the amount in paragraph (i) of the Appendix. Notice of a claim must be supported by **Veterinary Surgeon's Certificate**.

40 Female sheep proving barren

40.1 Vendor's warranty

The **Vendor** warrants that any female sheep sold as being In Lamb is In Lamb at the time of sale. **This warranty is a 21 Day Warranty.**

40.2 Purchaser's rights

If the **Purchaser** proves a breach of warranty, he may exercise his rights under Schedule. Notice of a claim must be supported by a **Veterinary Surgeon's Certificate**.

43 Stock rams

43.1 Vendor's warranty

The **Vendor** warrants that any ram sold as a stock ram for the amount in paragraph (j) of appendix or more is capable of natural service. This warranty lasts from the day of sale to the **15th December** in the year of the sale.

43.2 Purchaser's rights

If the **Purchaser** proves a breach of warranty the **Purchaser** may return the ram to the **Vendor** who shall, at the Purchaser's option, either replace the ram with another ram of equal value which is capable of natural service, or refund the purchase price together with such other costs and charges as the **Purchaser** may be entitled to under these Conditions.

For the avoidance of any doubt if the Purchaser is able to obtain viable semen from the ram for use by artificial insemination he shall not be entitled to any claim against the **Vendor for breach of warranty**.

The Direct Debit Guarantee

- This Guarantee is offered by all Banks and Buildings Societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit **Beltex Sheep Society** will notify you **15** working days in advance of your account being debited or as otherwise agreed. If you request **Beltex Sheep Society** to collect a payment, confirmation of the amount and date will be given to you at the time of request.
- If an error is made in the payment of your Direct Debit, by **Beltex Sheep Society** or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society.
- If you receive a refund you are not entitled to, you must pay it back when **Beltex Sheep Society** asks you to.
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.
