INSPECTIONS

The Carlisle/Lockerbie Premier will be the first of five sales to include the presence of veterinary officers during pre-sale inspections to help improve the breed standard. The team of inspectors and vets will be looking for any testicle abnormalities, animals to be correct in the mouth and for good mobility.

It is essential that the vendor is in the pen during inspections to hold the animal and allow for a more thorough inspection, with any issues discussed at the time.

1. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. All registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry, so that replacement tags can be ordered before the sale.
2. All sheep forward must be back-stamped with the Lot number, failure to do so will result in rejection. It is the responsibility of the vendor or their agent to be present at inspection.
3. Rejected sheep which are to be penned with the rest of the consignment will be identified by a purple shoulder. It is a condition of entry that this rule is strictly adhered to. Vendors are advised to check their animals thoroughly prior to departure from home.
4. Inspection will include the following points: - Teeth and Testicles, Mobility Udder, Muscularity and any other points deemed necessary by Council as they see fit.

Inspection Standards

TEETH –To be inspected and assessed as correct.

MOBILITY – Sheep should be mobile and sound. Rams should be capable of natural service.

TESTICLES - Testicles should be of even size, free of abnormalities and move freely. Minimum testicle size – 27cm for ram lambs and 30 cm for shearling rams and aged rams. Testicles will be measured at the vet/inspector's discretion.

DOUBLE MUSCLING – Sheep should display double-muscled gigots.

UDDER - Should be correct and free of abnormalities.

FLEECE – Should be tight. A medium fleece may be acceptable.

Vendors must be in the pen during inspection and hold the sheep for the veterinary officer.

Any late inspections will incur a charge to the vendor to cover Vet fees.

ONLINE BIDDING: Online bidding will be available via Marteye search hmarteye.ie

IRISH INSPECTIONS

In light of new Brexit-imposed rules and regulations for exporting sheep from the UK to Northern Ireland, the Society is giving Irish exhibitors the opportunity to have their sheep inspected prior to travelling to the Lockerbie Premier Sale. These inspections will be carried out by the same veterinary officer and inspector as at the Premier Sale, and it is hoped this will reduce the number of sheep not being able to travel back across the water.

However, please note that sheep may still pick up testicular infections or go wrong in the mouth between the Irish inspections and Lockerbie Premier Sale, so it is vital buyers still carry out their own inspection of prospective purchases as the Society and Auctioneer accept no liability.

A full list of breeders whose sheep have been inspected in Ireland, and those who have not, will be included in the substitutes list on sale day.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
