Beltex Sheep Society - General Sale Bye-Laws

2. All tags must comply with UK legislation and Society rules on identification.
3. Scrapie genotyping is voluntary but is included in the standard DNA sample for sires used and ewes flushed. All sheep catalogued with scrapie genotype must have valid certificates.
4. The upset (minimum) price is 400gns at the Premier Sale. At all other Society/Club sales, the upset price shall be decided between the Society/Club and the auctioneer.
5. Runs are limited to 10, extra runs are placed at the end of each section
6. All sheep entered for Society/Club sales must be inspected by a panel of inspectors appointed by the Society. Some sales will also have a Veterinary Officer aiding with the inspection.
7. The inclusion of any animal in the show and/or sale following any inspection is no warranty that the particular animal meets any criteria or criterion in respects of any standards or will do so in the future.
8. Entry forms must be submitted with all relevant paperwork.
9. Any sheep which has not passed Society/Club inspection should be removed from the vendor's pen as soon as possible, and must not be offered for sale, or advertised or promoted, in the ring.

The vendor must discuss fully with the purchaser any details of retained semen/embryos, specifically whether for own use or if intending to sell. This should be agreed between vendor and purchaser, preferably in writing and signed by both parties.

Inspections

1. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. From 2008, all registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry so that replacement tags can be ordered before the sale.

4. Any animal rejected for testicle abnormality (including size) or incorrect mouth is not allowed to be entered or substituted at later Society/Club sales, with the exception of lambs which may be entered at sales the following year as shearlings.
5. Inspection will include the following points – tags, teeth, testicles, udder, muscularity and any other points deemed necessary by Council as they see fit.

EAST OF EDEN FLOCK MAJOR REDUCTION ON BEHALF OF MESSRS J SMITHSON.

AGED EWES

Lots 312-326 (15 entries)

Unfortunately due to an ongoing shoulder injury as well as getting older I am reducing numbers hence this reduction sale of my East of Eden Beltex flock to include shearlings and older ewes. The flock has been run on a very commercial basis seen by the dates of birth being in the last half of April so not needing expensive feeds before or after lambing so utilising the quality grass. Buyers in the past have liked the fact that rams don't melt after moving to new homes. At the time of entering this sale some shearlings still had lamb teeth and will continue to grow on. I hope that they will go on to new homes and produce the goods for all purchasers.

All lots have been Dectomax, Bravax and Blue Tongue Vaccinated.

Wishing you all the best

J Smithson

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
